DEAR Judicial Conduct,

I am requesting an Criminal Complaint to be
filed against the Honorable Maricopa County Superior
Court Judge due to her personal
actions in the CR Number CR-. She
has expressed her prejudice against me as a sex
offender in the CR Number.

I cannot afford an attorney to represent me in my
Rule 32 petition and thus Judge continues to deny me
me access to the court in this Criminal Case. I have
filed Under Actual Innocent in this case, a state Habeas
Corpus because of Newly discovered evidence of 16 witnesses
have come forth with undisputed evidences and testimonies
to clear me of these criminal acts and charges in
this case. I have been informed that the DNA Results
in this case clears me of any sexual actions in this case.
The State of Arizona has withheld this evidence on this case.
Statements from the victim that the State withheld, states
that the victim was forced to make these accusation

against me in this case.

Because I am a poor illegal Mexican, I am severely being discriminated against because of the Judge personal Racist views of illegal Aliens and defendants charged with a sex offense. I was given a illegal 40 years in prison for a crime that I did not do in this matter.

I am filing a Criminal, Civil Violation Complaint against Judge in this matter with; Az Supreme Court, United States Justice department, Senator John McCain office, Sheriff Joe Arpaio office, Az State Bar, the Governor's office, the Attorney General Office Civil Rights division, Speaker of the House of Representatives and the Secretary of the Senate to let them know that an innocent man is being abused by this Judge and this Justice System in this matter. I have contact the Mexican Consul in this matter by letter asking them for help, in my case.

Please contact me at and speak with COTI Wrona to set up a telephone call with me to speak about this matter.

Sincerely
